

# Wuliger Wellness Center

*Patient-Centered, Affordable Healthcare*

## Services at a Glance

Wuliger Wellness Center is an integrated, outpatient primary care facility offering an oasis of high-quality, affordable services in a uniquely designed environment. Our services address barriers to access and offer specialized accommodations for individuals with autism and other developmental delays.

Preventive dental services and treatment for substance use disorder and behavioral health issues round out our continuum of care.

We strive to provide care that is the right fit for you and your family, available when you need it from a trusted, experienced provider in a comfortable setting. Financial assistance is available for those who qualify.
